

Meditations Secret Treasure: Awakening to the Mystic World (American Tao) (Volume 1)

Filesize: 4.43 MB

Reviews

It is one of my personal favorite publications. Indeed, it actually performs, still an amazing and interesting literature. It has been printed in an exceptionally easy way which is merely soon after I finished reading this book where it really altered me, changed the way I believe. (Neal Homenick IV)

MEDITATIONS SECRET TREASURE: AWAKENING TO THE MYSTIC WORLD (AMERICAN TAO) (VOLUME 1)

[DOWNLOAD](#)

Mystic Tao Publishing. Paperback. Condition: New. 190 pages. Dimensions: 9.0in. x 6.0in. x 0.4in. The American Tao books, of which Meditations Secret Treasure is the first, are unlike anything you will read. They present the true story of what happened when a skeptical, spiritual neophyte sat down to begin a daily practice of meditation and somehow slid through a crack between worlds, ultimately ending up in a strange new psychic dimension of the Soul. Unbeknownst to him, he had been called. He had become the accidental mystic, a traveller of worlds. In repeated visits over an extended period, the author experienced over seventy strange visions and apparitions. These led him on a journey across multiple realms and worlds, ultimately taking him into the celestial chambers of a mysterious white-bearded presence, where a final secret was revealed. The complete chronicle of these travels is presented in this series. And every bit of it is true! You Will Learn: The truth about meditation and the doors it can open, including not only how to do it but also how not to. Revelations about the forms of spiritual being, including the many faces of the Soul and its hidden lives in other worlds. The meaning of the mystic teachings in the Taoist classic, the Tao-Te-Ching, by Lao Tzu. What it is like to experience the esoteric realms and transformational energies described by spiritual alchemists, including chakras and Kundalini-like events. New techniques for uncovering the meanings hidden in your dreams and visions. You can use these to journal your own encounters. How to use methods developed in I Ching, the Chinese Book of Changes, to chart the progress of your spiritual journey by matching its diagrams of energy patterns with the imagery in your visions and dreams. The teachings of several other authentic spiritual explorers,...
