Solving the Innate Problems of India (Paperback)

By Mr Ravi Mantha

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Prologue: Just few days back the news flashed that five farmers were killed in Madhya Pradesh due to Police firing. Then the news came that corporate sector of India was reeling under growth issues. Their growth plans were curtailed by liquidity issues and cash crunch. There have been issues in IT sector due to layoffs. Many Indian Engineers and Management graduates are desperately searching for jobs. These are some perennial problems of India -supplemented by Indians greed for money, women and corruption. In India no one wants to become ideal, until they are forced to become ideal. And within next 10 years India is going to face two worst crises -the fuel crisis and the water crisis - Are we ready for it? Foreword: I had been a part of startup ecosystem of India, and had guided many ventures. Some succeeded, some failed. But I believe in maxim -The whole is greater than sum of parts. These startups did not make any significant change in India. Worst still -many good students had to bear the brunt of forced termination. In the end I...

Reviews

The book is fantastic and great. it was writtern really perfectly and useful. I discovered this pdf from my i and dad suggested this book to learn.
