1997. Hardcover. Book Condition: New. 182 The Secrets of Numerology: Numbers and Human Fortune, touches upon the subject of Numerology with a view to enabling the lay reader to understand the working of numbers in shaping destiny. Starting with the occult signification of numbers and their relationships with planets and zodiac signs, a description of the nature, characteristics and destiny of human beings influenced by numbers from 1 to 9 is presented here in a beautiful way. This is followed by a detailed account of the myriad, interesting ways in which numbers influence and determine business partnerships and romantic and conjugal relationships. Illustrative examples from real life are provided on the working of numbers by way of gleanings through the lives of famous personalities. Besides, the application of numbers in prediction of events has been explained in a systematic way. The role of numbers in health and disease has been described in a manner which lends itself to easy application in prevention and cure of diseases. A chapter on Yantras provides the techniques of using Yantras, the arrayed sets of numbers for achieving desired results through invocation of divine powers. In short, the book unveils the mystic power of numbers to the lay reader and shows him how to tap this power to his advantage. About The Author:- Atual Sehgal has been a practitioner and student of occult sciences over the last 15 years. His sharp understanding of the subject of Numerology and his unique, conceptual approach to analysis and practice go into the making of this book.
