

Only a Kiss: But It Never Really Is, Is It? (Paperback)

By Ines Bautista-Yao

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. When she was nine-years-old, Katie knew she wanted Chris to give her her first kiss. It wasn't because she was in love with him (no way, he was her best friend! Besides, she was in love with his fourteen-year-old big brother), it was because she could make him do anything she wanted. Besides, it didn't really mean anything. It was only a kiss after all. But then things started to change. They grew up. They parted ways and went to different high schools. And other girls and boys-well, just one particular boy-came into the picture, throwing their lives upside down. Told from the alternating points of view of Katie and Chris, this love story between two best friends will tug at your heartstrings and leave you thinking how the simplest things can mean so much.
