

Calculated Risk: Adventure and Romance in Scotland and the Alps (Paperback)

Filesize: 2.65 MB

Reviews

Definitely among the best publication We have possibly read through. I really could comprehend everything using this published ebook. Its been written in an exceedingly straightforward way and it is simply after i finished reading through this ebook through which basically altered me, change the way i believe.
(Mr. Malachi Block)

CALCULATED RISK: ADVENTURE AND ROMANCE IN SCOTLAND AND THE ALPS (PAPERBACK)**DOWNLOAD**

Baton Wicks Publications, United Kingdom, 2006. Paperback. Condition: New. 2nd Revised edition. Language: English . Brand New Book. When John Dunlop gives Judy Scott a lift to Glencoe on his motorbike, both are surprised when a relationship develops. But for John all passions must be relegated to the demands of the big climb. The focus soon shifts to the Alps where he teams up with the American climber Jack McDonald. Their careful planning goes awry and a major first ascent bid turns into an intense struggle bringing disaster and tragedy. Calculated Risk is a fictional portrayal of the world of mountaineering, of climbing the most demanding routes at a time when climbing was still emerging from its primitive inter-war and post war austerities and such routes were a stark struggle against the elements. The realities and tensions of big-time climbing, firmly focussed on the Alps and the Himalaya, are revealed with greater clarity through the medium of fiction. Dougal Haston was among Britain s leading mountaineers. A controversial figure, he began climbing in Scotland, putting up numerous new routes before moving on to bigger mountains and ascents of Annapurna, Everest and Denali. He was part of the team which, in 1966, made a directissima ascent of the North Face of the Eiger. In 1967, Haston became Director of the International School of Mountaineering at Leysin in Switzerland. He wrote Calculated Risk in 1977, shortly before his death while skiing above Leysin - an accident strangely foretold in the book.
