Renowned real-estate rock czar Frank McKinney reveals the most important spiritual principle of his astronomical success. He explains how God has tapped him (and taps everyone) many times in life, answering prayers and presenting life-changing opportunities. This book is for those who don't feel they're succeeding at the level they desire in the business we're all in: the business of life. Whether you're seeking greater financial rewards or some other kind of uplift, this book reveals there's one solution: Learning to feel The Tap and then acting on it. It primes you to start thinking that the rewards of success aren't meant for you alone, regardless of whether those rewards are already in hand or coming soon. But the rewards will come with astonishing speed and size to those who act on the greater responsibility that comes with greater blessings. The Tap shows you the way. Inspired by the biblical passage, from those to whom much is entrusted, much will be expected, The Tap promises readers that as they attune themselves to this enduring truth, they'll feel God's tap and experience breakthroughs beyond comprehension. McKinney isn't a preacher or man of the cloth; he's a businessman who's discovered that faithful stewardship is a prerequisite to receiving greater resources. In The Tap, McKinney shows how you, too, can enrich your life beyond what you might ever have imagined for yourself—if you learn how to listen and respond to The Tap. Why, then, haven't you always recognized your Tap Moments? The Tap answers this by leading you to find how you've been blessed with the special ability to succeed...
