

The Wrecks of Time (Paperback)

By Michael Moorcock

Fantastic Books, 2012. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From the Prologue: There they lay, outside of space and time, each hanging in its separate limbo, each a planet called Earth. Fifteen globes, fifteen lumps of matter sharing a name. Once they might have looked the same, too, but now they were very different. One was comprised almost solely of desert and ocean with a few forests of gigantic, distorted trees growing in the northern hemisphere; another seemed to be in perpetual twilight, a planet of dark obsidian; yet another was a honeycomb of multicoloured crystal and another had a single continent that was a ring of land around a vast lagoon. The wrecks of Time, abandoned and dying, each with a decreasing number of human inhabitants for the most part unaware of the doom overhanging their worlds. These worlds existed in a kind of subspecial well created in furtherance of a series of drastic experiments. Who has the immense power to create entire worlds only to discard them as failures in the backwaters of the space-time continuum? Who would then maliciously destroy these less-than-perfect worlds and their human inhabitants, and to what...
