Natural Productivity - Assess, Decide, Do: Natural Productivity Is Not about Getting Things Done. It s about Having a Life While Still Getting Things Done. (Paperback)

By Dragos Roua

Createspace, United States, 2011. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.First of all, this ebook is about a life management framework. What s a life management framework? I ll try to explain it here, but you d better read the book because it explains it in greater detail. Life management is a neutral name for a large collection of habits, strategies, rules, religions, philosophies and patterns on which we are relying every day in living our lives. Life management is one of those things that affects us even if we re not aware of their existence. by reading this ebook you ll understand: * what are the Assess, Decide and Do realms, and how Focus and Flow interact with them * what are life imbalances and how you can identify them using only Assess, Decide, Do * what exactly are you supposed to do in each realm in order to maintain its purity and to ensure a smooth flow from one realm to another Second, this ebook is about natural productivity. Again, the terms natural productivity and traditional productivity are opposed, and they re also better explained in the ebook. By natural productivity...
