Pearson Education (US), United States, 2008. Paperback. Book Condition: New. 234 x 155 mm. Language: English . Brand New Book. Do you find yourself reading books that just make sense, so you end up reading the entire book but not doing any of it? Don t let that happen with this book. The tools Steve presents in this book work great. We ve been using them for over a year at EA Canada with dramatic improvements in onboarding time and knowledge transfer. Here s the key: when you find a tool in the book that sounds perfect for your situation, stop reading and actually use the tool at least once before you resume reading. -Jerry Bowerman, vice president, chief operating officer, Electronic Arts Canada FROM BLAH, BLAH TO AHA! Breakthrough Knowledge Transfer Techniques for Every Professional! No matter where you work there are people with experience teaching people who need to learn. Everyone is part of this exchange yet few people know how to do it well. Now, there s a comprehensive how-to manual for effective knowledge transfer: Teach What You Know. Steve Trautman introduces simple, practical mentoring techniques he created for engineers at Microsoft, and has proven in many diverse organizations ranging from Nike to Boeing. This is real-world, get-it done advice, organized into a framework you can use no matter what you need to teach. Trautman provides common-sense tools to successfully pass along years or even decades of experiences: easy-to- use checklists, sample training plans, lists of questions, step-by-step procedures, and a start-to finish case study. Teach What You Know will help you orient new employees, support transitions to new assignments and promotions, prepare for employee retirements, build teams, roll out new technologies, and even move forward after reorganizations and mergers. You ll learn how to * Create...
