ERIE COUNTY PENNSYLVANIA (PA) (IMAGES OF AMERICA)

Arcadia Publishing, 1997. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: Erie County, Pennsylvania, is an interesting mixture of peaceful rural landscapes and vigorous industrial scenes. From Albion, Girard, and Fairview in the west, through Waterford and Edinboro, to Cory, Wattsburg, North East, Harborcreek, and Lawrence Park in the east, this volume touches upon many of the small towns, villages, and rural areas that make up this diverse county. The books images, many never before published, have been selected by local historians and taken from local historical societies archives to represent the social and cultural aspects of each community. From these pictures, mainly taken in the late nineteenth and early twentieth century, the distinct identity of each area comes alive with views of farmlands, businesses, schools, and recreation, yet despite this individuality, these unique communities do share much in common in tradition and personality.
