Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.My dear Scott, In dedicating to you the following work as the tribute of old friendship, and of sincere and well founded esteem, allow me to add a few words in explanation of the course I have pursued in the composition. I do this, it is true, more for the public than for yourself, as you were with me while it was in progress, and by your good judgment confirmed my opinion of the mode in which the subject ought to be treated. The character of every person who plays a prominent part on the great stage of the world is of course lauded by friends and decried by adversaries at the time, and the mingled report comes down to after ages. But the mists of prejudice are wafted away by the breath of years. The character of the historian is considered in connexion with those of the personages he has depicted; and allowances are made for errors and wrong views on all sides: the greater facts remain, in general, clear and distinct; and from these, together with those small traits which are rather let fall accidentally than recorded, by contemporaries, the estimate of history is formed.
