So thought Liz as she found what she thought was safety on the Isle of Wight, leaving her stalker behind her, and the summer holds a special magic as she falls in love and makes new friends. But when she begins to care for little Sam her childhood memories of the island become all too vivid. What she once thought were fairy-tales prove to be disturbing reflections on real life, and everything she believed in is shown to be fantasy. Once more she feels her sanity is threatened. What happened in 1970, to shatter Liz s family? Who was Nee? And who - or what - was the Seaweed Dragon? Only after uncovering an ancient mystery, does Liz find that the truth is always the best way to a Happily Ever After.
