

The Wright Place at the Wright Time: The Wright Brothers Mysterious Vision of the Future (Paperback)

By Greg Dempsey

Xlibris, 2015. Paperback. Condition: New. Reprint. Language: English . Brand New Book ***** Print on Demand *****. -The book is a fictional account of a supernatural incident that lands Wilbur and Orville Wright in present day Kitty Hawk. Presumed to be reenactors who often entertain the tourists, the brothers are confronted with a world that has evolved technologically; in great part due to their aeronautical designs and calculations. While witnessing the applications of their flying machine s successors, they observe the utilization of their invention in the fields of defense, business, and leisure. Frustrated with the inability to convince people who they really are, the brothers struggle with the possibility that they could be hallucinating or experiencing some type of subconscious dream brought on by the shock of being buried in a sandstorm. Making the best of a troublesome situation, they use what time they have to observe and record the dimensions and components of their -yet to be built- Flyer; a reproduction of which is on display at the National Park Service s Visitor s Center. With no warning, they are mysteriously returned to their own time to live out their destiny as history has recorded.-.
