

Who Is the Earth? How to See God in the Natural World

By Charles Upton

Sophia Perennis et Universalis, United States, 2008. Paperback. Book Condition: New. 229 x 150 mm. Language: English . Brand New Book ***** Print on Demand *****.Ever since the advent of earth-based spiritualities in our time, the call to realize the Divine Immanence, to see God in the forms of the natural world and the particular events of our lives, has become paramount. And yet, without a corresponding sense of the Divine Transcendence, we find ourselves drawn towards a kind of glamorized materialism, worshipping visible realities at the expense of the Invisible, taking as our deity a physical planet with a beginning and an end in time, instead of the living and eternal God, Who is before all beginnings and beyond all ends. This bias toward the Immanent as against the Transcendent (leading to the loss of both of them) has cast a shadow on the traditional religions, especially the Abrahamic ones: Judaism, Christianity and Islam. It has hidden from us the dimensions of those religions wherein it is explicitly stated that the heavens declare the Glory of God and the earth shows forth His handiwork. In this book, the author attempts to right this balance by showing the place of...
