Reviews

Certainly, this is the greatest work by any author. It can be written in easy words and phrases rather than confusing. I am just happy to let you know that this is actually the greatest ebook we have studied inside my individual daily life and may be the greatest ebook for at any time.

YOU ARE NOT SPECIAL: AND OTHER ENCOURAGEMENTS

Scribe Publications. Hardback. Book Condition: new. BRAND NEW, You are Not Special: And Other Encouragements, David McCullough, An inspirational reflection on the way we bring up children that will resonate with all parents. David McCullough, Jr's high-school graduation address, dubbed You Are Not Special when it went viral on YouTube, was a tonic for parents, students, and educators alike. Now he expands on that speech with wit and a perspective earned from raising four children and teaching high-school students for nearly 30 years. In this humorous and insightful book, McCullough takes a hard look at helicopter parents, questionable educational goals, professional university coaching, electronic distractions, and more - and advocates for a life of passionate engagement.
