Brand New Book ***** Print on Demand *****.Excerpt from Mat Weaving and Slat Weaving in Primary Schools: A Practical Manual Especially for Primary-Kindergarten Teachers This work constitutes one of a series now issued or soon to be published upon the use of kindergarten material in primary schools. The purpose of the author and publisher is to aid in bringing about the best possible kindergarten training in primary schools. While the use of this material has rapidly increased within the last few years, thus far there has been an almost total absence of literature along this line. While the regular kindergartens are doing most worthy work, yet their operations are limited to the comparative few. Probably 95 per cent of the children of America will receive their first training outside the home in primary schools, and while the establishment of regular kindergartens everywhere is always to be encouraged, in the meantime let us labor to make the best possible and only available substitute - the primary school - a place where at least some of the advantages of kindergarten training can be secured. The teacher...
