Pyr, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: PRAISE FOR QUANTUM COIN "Not just a great YA novel, Quantum Coin is a great science fiction novel in general. There is an abundance of heart and science to go around." -SF Signal "[Quantum Coin] ups the ante for fantasy fans everywhere, without letting other elements of the story wither. The romantic tension throughout highlights the maturation of the characters. Unlike many sequels, this one wraps up loose ends in a satisfactory fashion." -RT Book Reviews, Four stars (Compelling - Page-turner) PRAISE FOR FAIR COIN "Warning: This Book is Pure Awesome Crack. Tired of cookie-cutter young-adult novels! [Fair Coin] achieves the feat of seeming like a dark fairy tale and a clever science fiction epic rolled into one. It's a fast-moving book full of twists and cool character moments and is definitely ideal for adults who miss the days of engaging, idea-driven science fiction." - io9 "Funny, flirtatious, and unexpectedly poignant, Fair Coin takes the phrase 'be careful what you wish for' and runs with it. A stand-out debut from an author to watch." - Lauren McLaughlin, author of Scored "[A] well-written, fast-paced, EPIC adventure. There are plot twists you will never see coming and enough science fiction elements to satisfy even the hungriest nerd brain! In my opinion, it accurately portrays . . . what teenagers would do if they had the entire universe at their disposal." - Mother/Gamer/Writer "I thoroughly loved this book. Rather than finding just another same-old, same-old book, this one smashed through the mold. . . . I highly recommend [Fair Coin] to all fans of YA, especially those who enjoy male MCs, science fiction, and fantasy." -I Swim for Oceans "This one reminded me a lot of Scott..
