Denehurst Publishing, United Kingdom, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.In Breakthrough Project Management, Ian Heptinstall Robert Bolton show you how, by combining proven innovations in project management and procurement, you can break the so-called Iron Triangle of project management. It is no longer a case of Time, Cost Quality, choose any two. Each of the two main elements of Breakthrough Project Management has been shown to bring step-change improvements in project durations, predictability, cost and quality. Discover how Critical Chain Project Management reduces project durations by at least 25 , whilst at the same time increasing reliability and reducing cost. Learn how Project Alliancing removes the commercial and contractual obstacles to establishing a truly collaborative project team across the range of suppliers and contractors involved in the project. This is key not only to exploiting Critical Chain, but to many other project improvement techniques, and to further increasing quality whilst reducing risk, cost and duration. Do you want to be left behind as your competitors breakthrough the constraints imposed by today s best practice in project management?.
