Simon & Schuster. Paperback. Book Condition: new. BRAND NEW, Younger, Pamela Redmond Satran, From Pamela Redmond Satran, the acclaimed author of "Babes in Captivity" and "The Man I Should Have Married, " comes a story of inspiration and transformation for the really desperate housewife. She's old enough to be his mother. Alice has always looked young for her age, even with her graying hair and her dowdy New Jersey housewife style. Make that "ex-"housewife: Now that her husband's gone and her daughter is grown, Alice is in desperate need of a whole new life. So she lets her best friend Maggie, a hip New York City artist, transform her on New Year's Eve. Soon, thanks to the wonders of hair dye and tight jeans, Alice looks "really" young, as one night in a Manhattan bar confirms. At midnight, she kisses a boy who was in diapers when she was in high school. She's having too much fun to care. The white lie Alice tells Josh gets her thinking that if no one asks her age, she doesn't have to tell. So she applies for a job she had briefly before becoming a full-time mom -- and gets it. Meanwhile, Josh is falling head over heels for Alice, who's just way cooler than girls his age. He figures she's about twenty-nine -- and for the first time since she was twenty-nine, or possibly ever, Alice feels that life is ripe with possibility. Unfortunately one possibility is that she's gonna get caught. Challenging the adage that the truth will set you free, "Younger" is a hilarious and insightful story that proves that you're only as young as you feel.
