BOOT CAMP 666 (PAPERBACK)

Createspace Independent Publishing Platform, United States, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Let s be honest when I say that we ve all seen children who we thought needed some form of help. Whether it s watching them running around in public areas or you see them acting like fools on daytime talk shows. The fun part about those shows is watching an authority figure come out and teaching the kids right from wrong. That s where the idea came for Boot Camp 666 came in. I decided to come up with a screenplay about what could happen if things went wrong for the kids who attended boot camp. This is a dark comedy about a group of individuals who get into trouble on the anniversary of the day they went to Boot Camp Unit 66. After breaking laws and ending up in an interrogation room, they fight for what s left of their freedom by defending themselves by using the past. Each character shares their story and how it leads to them leaving boot camp a changed person but for a short period. The torment, the pain and the outrageousness they all endured by the horror they know as Drill Sergeant. Someone who says inappropriate things that shouldn t be said to children while putting them through hell. If you re the kind of person that gets easily offended, then I suggest that you don t bother reading this because of the context used by Drill Sergeant. This is a work of fiction that isn t meant to be taken seriously but I know how some people are, so reader be advised. To those with an open mind, I hope you give this consideration and that you enjoy this work. Thank...
