

The Medieval Church: From the Dawn of the Middle Ages to the Eve of the Reformation (Paperback)

By Carl A. Volz

Abingdon Press, United States, 1997. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.The Medieval Church: From the Dawn of the Middle Ages to the Eve of the Reformation addresses questions that demonstrate the pervasive influence of the past on modern piety, practice, and beliefs. For many years this period of church history has been ignored or denigrated as being the dark ages, an attitude fostered by Enlightenment assumptions. Yet not only does this millennium provide a bridge to the early church, it created modern Europe, its nations, institutions, and the concept of Christendom as well. The Medieval Church, introduces the reader to the fascinating interplay of authority and dissent, the birth and development of doctrinal beliefs, the spirituality of the common person and the enduring allure of Christian mysticism. The period is filled with drama (comic and tragic), loves and hates, war and peace, brilliance and superstition heroes and villains, princes and peasants - all held together by common assumptions about Jesus Christ and the church.

Reviews

This publication will never be effortless to begin on studying but extremely entertaining to learn. It is probably the most incredible publication i have go through. I realized this ebook from my i and dad suggested this publication to learn.

-- Austin O'Connell

These types of ebook is the greatest book available. Better then never, though i am quite late in start reading this one. I am just very happy to explain how here is the very best pdf i actually have read through inside my individual daily life and can be he greatest book for ever.
