This item is printed on demand - Print on Demand Neuware - Research Paper (Pre-University) from the year 2006 in the subject English - Discussion and Essays, grade: 5.5 (Schweiz), - (Kantonsschule Romanshorn), language: English, abstract: John Fitzgerald Kennedy was very popular and much adored during his term of office. The world should not yet know about his real personality. In later years after his death, the truth came out. He was not the faithful husband nor was he in good health. Nevertheless, he is still one of the most popular US Presidents ever. He had not deserved to be assassinated. No one has. Inspired by Oliver Stone s Hollywood movie JFK , I wanted to know more about the assassination. Who could be responsible for it Which motivation could someone have to kill the president of the most powerful nation in the world I do not intend to find the real murderer, I am not competent for that. Yet, I can try to get a picture of the most important theories and evaluate them. I am as well interested in the consequences of the assassination on the world. I think another interesting question is how the people reacted to the assassination. People who were there, and people who only heard it in the news. Both seem to be concerned. The most exciting part about the assassination is the ignorance. Although over 40 years passed since then, the Kennedy case, as one of very few of the 20th Century, still remains unsolved. 44 pp. Englisch.
