## DISCOVERING THE CITY OF SODOM: THE FASCINATING, TRUE ACCOUNT OF THE DISCOVERY OF THE OLD TESTAMENT S MOST INFAMOUS CITY (PAPERBACK)

[DOWNLOAD](#)

Howard Books, 2016. Paperback. Condition: New. Reprint. Language: English . Brand New Book. The fascinating, true account of the quest for one of the Old Testament s most infamous cities. Like many Christians today in the academic world, Dr. Steven Collins felt pulled in different directions when it came to apparent conflicts between the Bible and scholarly research and theory--an intellectual crisis that inspired him to lay it all on the line as he set off to locate the lost city of Sodom. Recounting Dr. Collins s quest for Sodom in absorbing detail, this adventure-cum-memoir reflects the tensions that define biblical archaeology as it narrates a tale of discovery. Readers follow Dr. C as he tracks down biblical, archaeological, and geographical clues to the destruction of Sodom and Gomorrah, narrowing the list of possible sites as he weighs evidence and battles skeptics. Finally, he arrives at a single location that looms as the only option: a massive ancient ruin called Tall el-Hammam in the Hashemite Kingdom of Jordan. Many scholars who were initially opposed to Dr. Collins s theory now concede that history books may need to be rewritten in light of his groundbreaking discovery. It--along with several other recent finds--is challenging the assumptions of academics and asserting a new voice in the controversy of biblical archaeology and the dispute over using the Bible as a credible historical source. \*\*\* From respected archaeologist Dr. Steven Collins and award-winning author Dr. Latayne C. Scott comes the fascinating, true account of the frustrating search and exciting excavation of the city the Bible calls Sodom, which scholars and others had misplaced for hundreds of years. Like many modern-day Christians, Dr. Collins struggled with what seemed to be a clash between his heritage of belief in the Bible and the research regarding ancient history...
