Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Slavery and the American Board of Commissioners for Foreign Missions The missionaries favor Slavery in a three-fold manner; first, by entirely abstaining from the rebuke of slavery, though an aggravated form of that wickedness is prosperous and flourishing in the very region where they pretend to exercise the function of ministers of the Gospel; next, by taking, and openly proclaiming that they will continue to take, the men who are stained with that wickedness into full membership in their churches; and, lastly, by appealing to the Christian Scriptures in justification of this course of policy, and claiming God's approval of it, thus perverting that very Christianity of which they pretend to be the ministers, and teaching another heathenism to the people whom they claim to have converted from heathenism. Here is their language. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work.
