Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Darkness settles over the peacefully sleeping household. CRACK! CRACKLE! KABOOM! Suddenly, a hard-hitting thunderstorm unleashes its torrential downpour on the poor family dog, while Sharkie the cat nestles comfortably inside. Awoken by the storm banging on the outside, Sharkie can't go back to sleep and decides he might as well visit the cat box. Unafraid, he stumbles through the creepy house, eerily illuminated by bursts of lightening, and winds his way toward the laundry room. But the moment he crosses the threshold, the light bulb zaps out-and that's when things start to get supernaturally scary. Written by Sharkie himself (and merely typed up by his owner, Daniel Bergmann), Sharkie and the Haunted Cat Box is a fun, frightening children's picture book that takes kids on a spooky adventure that will have them shivering and laughing all the way through. Race through the spooky house with Sharkie and see if you can figure out what, or who, is chasing him before he does!.
