### ***Reviews***

*Extensive guideline! Its this sort of very good go through. I have got read and i am confident that i will gonna read through once more once more in the future. Once you begin to read the book, it is extremely difficult to leave it before concluding.*  
*(Joana Champlin)*

## THE CREAMY KIND

Scrybe Press, 2005. Trade Paperback. Book Condition: New. First - First Edition. 1933274018 32-page saddle-stapled chapbook; There are two things that Ted has always remembered about Dilbert. The first is how much Dilbert liked peanut butter--the thick, oily stuff, eaten straight out of the jar. The second is how he bullied him, forcing Ted to gag down the nutty spread as the other boys laughed and jeered. Ted learned to ignore the taste and fight the madness as the peanut butter coated the roof of his mouth, refusing to work loose no matter how hard he scraped with his tongue or his fingernails. Or a screwdriver. And, after all, he got Dilbert back, didn't he?.
