Layercake Productions, LLC, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.At first glance, Candy was a pretty little seven-year-old girl like any other in Shirley County. She was prone to singing and dancing and splashing in the rain, in her yellow polka dot bikini and her favorite red galoshes. John was a normal little boy and he loved playing with his best friend, Candy. But their bond drew a darkness that had long stayed hidden in a small, southern mountain town. Sometimes the truth is in the things you can't see. Something happened all those many years ago, and it can never be forgotten. But our story begins long after that, when Candy and John are teenagers. John, caught up in the business of life, stops spending his summers in Shirley County. And Candy, hurt and lonely at first, moves on as well. She meets Sam, the new boy in town. Even though she has never ventured more than a hundred miles from her home, she has never felt at ease there. Always at odds with her high school friends, her church, her family-and bored with her small town existence-she finds the adventure she needs in Sam. He is cool, confident, independent, and Candy likes that. He lives on the fringes of society, and perhaps she likes that, too. But even with Sam in her life, she is sometimes overcome with a sense of dread, like a shadow has passed, just on the edge of vision. And sometimes the truth is in the things you won't see. Something was awakened all those many years ago, that can never be undone. When John finally does find his way back, it's to a Shirley County...
