Accademia Vis Vitalis, 2013. Book Condition: new. A cura di k. Bernacci. Torino, 2013; ril., pp. 192, ill. b/n, cm 15,5x21,5. (Hystoria). Massimo Centini evoca un mondo che affiora da un Piemonte ricco di tradizioni e credenze in cui fede, arte, natura e spiritualità, sono amalgamati in una simbiosi affascinante e spesso poco nota. Il libro ci accompagna lungo un percorso che conduce alla riscoperta delle nostre radici: dal passato lontano, all'alba della storia, fino a oggi. Un viaggio in un Piemonte che ha fatto del sacro un linguaggio di straordinaria vitalità, che queste pagine ci insegnano a scoprire, interpretare, capire. Per certi aspetti, un libro non convenzionale, che ha il coraggio di guardare senza retorica la nostrana cultura popolare, soprattutto oggi: un periodo in cui il sacro è indicato come un valore in declino. Avremo modo di constatare che le cose non stanno proprio così: vedremo che il sacro, nel folklore nostrano, continua a svolgere il suo antico ruolo, a suggestionarci con le sue tante facce e quella sua atavica radice colma di risvolti anche misteriosi, che un po' ci spaventano e un po' ci affascinano.
