

London Club

By Nicole Trevisian

Edizioni Charta Srl, Italy, 2010. Paperback. Book Condition: New. 208 x 158 mm. Language: English . Brand New Book. This title takes you on a photographic journey through cutting-edge fashion on display in London's vibrant clubs. In 1997, a new club called Trash changed the way London experienced music and clubbing forever. Gone was the ubiquitous mainstream techno of the super clubs, replaced instead by a unique mixture of glam-rock, eighties new-wave, and the new underground movement electro-clash. The style, glamour, and sparkle of the Trash regulars gave the dance floor an energy that helped create one of the 21st century's most innovative and exciting underground music and fashion scenes. Following the success of Trash, other club nights emerged with similar themes, allowing clubbers the freedom to unleash their true selves. London Club takes readers on a fantastic visual tour of some of the cutting edge fashion seen in London's influential new-music clubs since the year 2000.

Reviews

This is an awesome publication which I have actually read. This is certainly for all who state that there was not a well worth reading through. It's been designed in an extremely straightforward way and it is merely after I finished reading this ebook in which actually changed me, affect the way in my opinion.
