Reviews

This ebook might be worth a read, and superior to other. It is probably the most amazing publication we have read. Your lifestyle period will likely be transform once you total looking over this publication.

(Alana McCullough)

LATIN MEDICAL TERMINOLOGY

Createspace, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: Ukrainian . Brand New Book ***** Print on Demand *****.The textbook contains two parts: the first part is about grammar and the second - about the medical terms. Authors fully described the Ukrainian type of pronunciation of Latin words, the Noun, the Adjective, the Verb, the Pronoun, the Numeral, the Adverb, the Gerund and the syntax. The second part dedicated to terminology of anatomy, diagnostics, therapy, surgery, biology, chemistry and pharmacy. In the textbook implemented a lot of ideas that makes it unique: 1) the grammar is separated from the terminology course - it allows students to learn the rules of classical Latin, and only then learn the course of the natural terminology 2) the intuitive structure of the topics - searching and orientation in the textbook became much easier, 3) it is the first textbook of the subject, which was prepared especially for digital distribution.
