

Speaking Better French: Faux Amis

Filesize: 4.48 MB

Reviews

Completely one of the best ebook I actually have possibly study. It can be written in simple phrases and not confusing. You can expect to like the way the author writes this book.

Wheatmark. Paperback. Book Condition: New. Paperback. 136 pages. Faux amis (false friends) are French words that look and sound like English words but have different meanings than what youd expect. Its easy to assume that French words mean the same as English words when they look and sound pretty much the same. Most of the time you would be correct. However, occasional word pairs look the same, may even be spelled the same, but have different meanings. These false friends can cause misunderstandings, uncomfortable situations, and even embarrassment when you use them in conversation and they mean something entirely different than what you meant to say. This book will help you avoid these embarrassing misunderstandings. Its not a dry list of faux amis. Its written in conversational language and its easy and fun to read. Youll learn how each French word differs from the English one. Almost all of them are also accompanied by examples of the word used in sentences and phrases to illustrate, and to make very clear, exactly how it should be used. When you have finished reading this book, you will hopefully remember most of these faux amis simply because they are really fascinating to learn about, without having had to consciously memorize them. Here are some comments from others about this and other books on learning French by this author: I think your books are wonderful. You have made a fantastic contribution to the French language profession. --- Professor Judy Baughin, Raymond Walters ColledgeI have very much enjoyed Faux Amis and plan to order it for my translation class this coming semester. You have done a real service to learners of French. . . This is important work. --- Professor John Romeiser, University of Tennessee, KnoxvilleAs with your previous book, I am amazed at how...
