AVALANCHE CREEK (PAPERBACK)

Wmg Publishing, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Returning to the time travel western world of Thunder Mountain, USA Today bestselling author Dean Wesley Smith weaves his most complex story to date. In one timeline, to help with an advanced math problem, Bonnie and Duster Kendal hire Brice Lincoln. In a second timeline, to help with an advanced math problem, Bonnie and Duster Kendal hire Dixie Smith. When Brice and Dixie finally meet in the past, instant attraction. And instant problems. A time travel western that stretches across timelines from the Idaho Wilderness to an old Boise hotel with a very special room. Thunder Mountain by Dean Wesley Smith is one of those reads that defies genre classification. Take some romance, throw in a little bit of historical fiction and add a dash of time travel and science fiction and you have the basis for this interesting story. . The premise for Thunder Mountain is intriguing and will appeal to fans of both historical and science fiction. This is an easy, light read, and I am interested in revisiting these characters on their future adventures. -Fresh Fiction The romance between Dawn and Madison is warm and primarily private. The time travel is creative and the history detail is rich and engaging. This story and reading pace moves along quickly. This is an entertaining story and I recommend it to readers who enjoy a fun time travel to the old west with romantic element. -Martha s Bookshelf on Thunder Mountain.
