This 21 Night Women s devotional was written to encourage every woman in her midnight quarter. Psalm 30:5 says but joy comes in the morning ; we must remember that going through midnight is the only way we get to the morning, I m here to help you through your midnight. Living a God-Fearing Life can be and is very challenging, especially when things are going haywire in your home, on your job, at your church or personally within yourself. At times, it would seem as if The Master of all creation has totally forgotten about you and no matter how much you hear stay in there for joy cometh in the morning it looks and feels like you are stuck in a twilight zone of ongoing midnights.
