THOMAS HARDY: A CRITICAL STUDY (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Thomas Hardy: A Critical Study Mr. Hardy has kindly given me permission to use such quotations as I required for this study of his work. But it should be understood that the book contains nothing whatever that may be called authorized ; it is simply my own reading of Mr. Hardy s stories and poems. Biography was no part of my intention. The book will scarcely appeal to those who are not already acquainted with its subject; but fortunately it is not extravagant to assume a very general knowledge of the works here considered. It was therefore easy to dispense with full descriptions of narrative material, with analyses of plots, and so on. I have simply attempted to criticize my private belief that Thomas Hardy s books are among the greatest things in our modern literature; and, more generally, to discuss not so much their exact place, as the way they utter certain characteristics of modern consciousness.
