NEIL YOUNG FAQ: EVERYTHING LEFT TO KNOW ABOUT THE ICONIC AND MERCURIAL ROCKER (PAPERBACK)

[DOWNLOAD](#)

Hal Leonard Corporation, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book. Neil Young has had one of the most remarkable careers in the history of music. He hasn't just outlived many of his contemporaries - some of whom were great inspirations for him (From Hank to Hendrix, as one of his own songs says); his artistry lives on through those he has inspired (Pearl Jam, Radiohead), and he remains relevant and vital well into his fifth decade of making music. Young also continues to crank out records at a rate that would kill most artists half his age. Between his solo and live albums, and his work with Buffalo Springfield and Crosby, Stills, Nash and Young, his remarkable career has spanned well over 50 albums. Although he has experimented in genres from syntho-pop to rockabilly, Neil Young is best known for the fully cranked, feedback-laden noise he makes with Crazy Horse (Rust Never Sleeps and Ragged Glory) and the more introspective folk-pop (Harvest). The glue that binds his work together is the songwriting. Because when it comes to writing great, timeless songs, Neil Young has few equals. Neil Young FAQ is the first definitive guide to the music of this mercurial and methodical, enduring, and infuriating icon. From the Archives to Zuma and from the Ditch Trilogy to the Geffen years, this book covers every song and album in painstaking detail - including bootlegs and such lost recordings as Homegrown , Chrome Dreams , Toast , and Meadow Dusk . Obscure facts and anecdotes from the studio to the road, along with dozens of rare images, make this book a must-have for Young fans.
