Reviews

This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.
(Ida Herman)

Mill City Press, Inc. Paperback. Condition: New. 428 pages. Dimensions: 8.0in. x 5.2in. x 1.1in. The loss of a first child sends chilling tremors through a young family. The parents try to rebuild, with visions of a large, happy Catholic family. Yet the universe lurches and takes the next child, and the next, just a few years apart. Such devastating losses are almost unimaginable. It is even harder to imagine coping with them in an era of emotional sterility. During the 1950s and 60s there were few displays of mourning, no understanding of the stages of grief, no support groups. The Bernards had to deal with their losses in a way that would be acceptable to other middle-class families of the time—privately, and silently. *Ollie Ollie In Come Free* explores the toll unexpressed grief can have on a young child. In the unfiltered voice of a child and adolescent, author Anne Bernard Becker offers a touching insight into her own buried grief, loneliness and survivors guilt. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
