THE BUSINESS OF CORPORATE GOVERNMENT AFFAIRS IN CHINA

Condition: New. Publisher/Verlag: AV Akademikerverlag | Corporate Competitive Advantage in China's Marketization | Revision with unchanged content. China has attracted the attention of numerous companies as the second largest market in the world. With an authoritarian political system and socialist market economy, the Chinese government practices strong intervention on business operations. At the same time, China's ongoing structural transformation that fosters its economic reforms places increasing influence of business, both domestic and foreign, on national policy. These both..
