MANUAL FOR JUNIOR CLASSES: 1903-1904 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Manual for Junior Classes: 1903-1904 The chapters herewith submitted are written in simple story-form, arranged with sub-topics so that when necessary assignments may be made to several members of the class. In every case, however, all of the class should be encouraged to read the entire chapter. The lessons are only outlines. Many of the most instructive and interesting details are purposely omitted, with the intention that the teacher shall introduce these at the proper time. Care should be taken to emphasize the character of the man considered, giving a subordinate place to many of the historical facts, and making in every ease the commendable characteristics stand out boldly. The references, questions, and suggestions relating to the lessons, do not follow the respective chapters, but are given at the end of the treatise. The reason for this arrangement is to relieve the chapters of the appearance of a task and thereby make the manual more attractive. Two characters are taken from the Book of Mormon and are considered in their proper chronological place. The life of Enoch is taken from the Pearl of Great Price. The object of introducing these characters, is to associate the Book of Mormon, which is an ancient record, and the Writings of Moses and the Life of Abraham, as found in the Pearl of Great Price, with the Old Testament scriptures. It is to be hoped that all class lealers, in this department, will read with care the references here given, which are extremely few. Many of the lessons contain but a brief history of the period which they cover, and in most cases will need to be freely supplemented...
