Blackstone Audiobooks, 2007. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. Audrey Hepburn s narration brings to life four entertaining fairy tales for children and adults alike. Included here are The Sleeping Princess, Tom Thumb, Laideronette, Empress of the Pagodas, and Beauty and the Beast, charming stories that demonstrate the power of unselfish devotion and courage and the triumph of true love. This GRAMMY(R) Award-winning performance by the late film legend features not only sound effects and music from Maurice Ravel s Mother Goose Suite spread liberally throughout the hour but also a background story of the composer telling these stories to two young children, as remembered by one child when she was an elderly lady, all delivered in Audrey Hepburn s unique and cultured style.
