## HELLO SUNSHINE

Akashic Books, U.S., United States, 2010. Paperback. Book Condition: New. 206 x 132 mm. Language: English . Brand New Book. Ryan Adams writes with equal parts precision and recklessness; the blood he draws from the text is easily as unnerving as its unapologetic tenderness. He is proof that poetry will find its writer. --Mary-Louise Parker, actress Ryan Adams, one of America's most consistently interesting singer/songwriters, has written a passionate, arresting, and entertaining book of verse. Fans are going to love it, and newcomers will be pleased and startled by his intensity and originality. --Stephen King, on *Infinity Blues* Ryan Adams may be acclaimed primarily for albums such as *Cardinology*, *Heartbreaker*, *Gold* (which includes the popular hit songs *When the Stars Go Blue* and *New York, New York*), and *Easy Tiger*, but the world-renowned singer/songwriter has always been a poet and fiction writer at heart. With the release of *Hello Sunshine*, Ryan continues to break literary ground beyond what he established with his wildly popular first book, *Infinity Blues*. Ryan's new work provides perhaps an even deeper insight into the man than is revealed through the songs that have resonated with his hundreds of thousands of fans. Where his debut was characterized by the bitterness of heartbreak, *Hello Sunshine* is a graceful, sensual assertion of the other side of the emotional coin. This is a 2009 fever dream--inside Ryan's heart and mind--replete with unforgettable verse that will shock and delight those expecting a mere continuation of where *Infinity Blues* left off. Ryan Adams is known for his prolific nature, which in the last ten years has resulted in various international hit albums. Ryan has also produced Willie Nelson's album *Songbird* and contributed to records by Toots and the Maytals, Beth Orton, the Wallflowers, Counting Crows, and Cowboy...
