

## The Musings of a Confused Mind: A Collection of Modern Verse in Different Styles (Paperback)

By MR David L Atkinson

Createspace Independent Publishing Platform, United States, 2012. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The ideas behind the poetry represent a re-visiting of learning. It reflects back to when I was taught how to write poetry as a boy and then in turn teaching the subject to primary aged school children. Do I sound like an expert? (a drip under pressure) Well I m not - this book is the equivalent of my learning curve in this branch of the art of writing. My wish is that anyone buying this will derive some pleasure and possibly find some thought provoking words. It would be of great satisfaction to me if someone else took up poetry writing as a result of studying this work.
