Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. This book is void of all illustrations due to all the mulita-media and video games made available to young children these days. It will give them a chance to exercise and use their own creative imagination to develop and create their own unique Topo and Poto world. After word, reader and listener alike can discus and describe how they imagined all things to be in the story. Children and adults will learn there are no limitations using your imagination while reading or listening. The sky is not the limit with your imagination and dreams. Topo and Poto are twin brother and sister mushroom pixies called Mushkxies. They get up at sunrise once a week to collect Honey Sickle Dew, a favorite Mushxie drink. While out one morning collecting Honey Sickle Dew, they are made to seek shelter from a dangerous storm that is quickly brewing over the forest. The Twins make several attempts before finally finding shelter. They suddenly plucked from their hiding place by a hungry vegetarian troll that has mistaken them for two yummy mushrooms to finish off his weekend stew. Topo and Poto must find away to escape being made into stew and the raging storm that seems to be following them.
