

Judicial Administration and Space Management: A Guide for Architects, Court Administrators, and Planners

By F Michael Wong

Orange Grove Books, United States, 2009. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. An invaluable addition to the library of all who in any way are involved in court services or courthouse design and construction. It will be a definitive reference on current and future bridging between judicial administration and space management of court facilities. -- Leonard S. Parker, chairman, The Leonard Parker Associates, Architects, Inc., Minneapolis A book that every court administrator in the country should read and study. Dr. Wong has pulled together the adage that form follows function in a work that will affect the design of every courthouse. -- J. William Lockhart, courts administrator, Sixth Judicial Circuit, State of Florida This important work integrates, for the first time, information from the fields of judicial administration and architecture, offering professionals in both areas significant benefits in the planning, programming, and design of courthouses that are responsive to the changing needs of the U.S. judicial system. The culmination of the lifework of F. Michael Wong, one of the nation s preeminent authorities on judicial facility projects, the book provides invaluable information for the collaboration of judges and judicial staff with architects,...
