

As I Quote Myself (Paperback)

By Victor S E Moubarak

Createspace, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. AS I QUOTE MYSELF is not a biography of a famous celebrity, or other well known personality telling you how they made it good from extreme poverty to being as successful as they are today. Instead, these are the memoirs of someone you ve probably never heard of, (unless you re related to him), but yet with a story to tell. Follow his misadventures and mishaps as he stumbles through life from one crazy story to another. Imagine him sitting on a rocking chair, a mug of hot chocolate in one hand and a biscuit in the other, relating what he can still remember in a haphazard and non-chronological order. Just like any other conversation really. One thought triggers another and each competing for a modicum of veracity and a pinch of authenticity. A series of calamities and misfortunes with humourous outcomes which are sure to make you smile, if not laugh out loud. At least that s what he hopes! AS I QUOTE MYSELF are the memoirs of no one in particular except the one from whose memories they originate. Enjoy.
