Reviews

*Undoubtedly, this is actually the very best job by any writer. It is loaded with wisdom and knowledge You will not really feel monotony at anytime of your respective time (that's what catalogs are for concerning when you check with me).
(Prof. Lawson Stokes IV)*

WALKING SEASONAL ROADS: REFLECTIONS ON A DWELLING PLACE (HARDBACK)

Syracuse University Press, United States, 2012. Hardback. Book Condition: New. New.. 221 x 147 mm. Language: English . Brand New Book. Seasonal roads are defined as one-lane dirt roads not maintained during the winter. They function as connectors linking farmers to their fields, neighbors to neighbors, or two more well-traveled roads to each other. Some access hunting lands and recreational areas. Some pass by cemeteries, allowing people to visit and honor their dead. They can be abandoned as people move and towns fade. In every incarnation, the seasonal road touches the land in a gentler way than do other roads. Having traveled nearly every seasonal road in Steuben County, New York, Hood finds they provide the ideal vantage to contemplate the meaning of place, offering intimate contact with plant and wildlife and the beauty of a rural landscape. Each road reveals how our land is used, how our land is protected, and how environmental factors have impacted the land. As a literary naturalist, Hood reflects on endangered species and invasive species, as well as on issues of conservation and sustainability. From state forests to potato fields, from development along Keuka Lake to vineyards, from old family cemeteries to logging sites, *Walking Seasonal Roads* is a celebration and an honoring of the rural and the regionalism of place, illustrating the ways we connect to our home and to each other.
