When Lisa Taylor and her family move from San Francisco to the suburban paradise of Los Corderos, they know their family won t fit in perfectly. They re the only interracial family in the neighborhood. Lisa is a snarky sculptor. And 13-year-old Logan is gay. After Logan is repeatedly bullied at school, he finds his niche in an unusual place - his twin sister s Girl Scout troop. When he tries to join, the organization refuses, so the boy sues for gender discrimination and sets off a firestorm of national media coverage. This only makes matters worse between Logan and his father, a macho firefighter who is already struggling with his son s sexual orientation. Adding to the strife is Lisa s increasing distaste for Junta Moms who wish each other Namaste while rigging school elections and stealing each other s husbands. Join the Taylors on their hilarious journey as they face the fight of their lives and, in the process, discover what it means to be a family.
