Hendrickson Publishers Inc, United States, 2017. Paperback. Condition: New. Language: English. Brand New Book. Ethics is about knowing and doing what is good or right, and workplace ethics is about knowing and doing what is good or right at work. For the Christian, this means applying the Bible and other resources of the Christian faith to help decide and do what is ethical or moral at work. Three general approaches to ethics have achieved widespread use both in Christian moral thinking and in the world at large: 1. Command-What do the rules say is the right way to act? 2. Consequences-What actions are most likely to bring about the best outcome? 3. Character-What kind of moral person do I want to be or become? What distinguishes Christian ethics is not that it uses different approaches, but that it brings biblical values into each of these approaches. There are biblical commands (also called principles), biblically desired outcomes and biblical character traits (also called virtues) that Christians need to bring into their moral decisions, actions and development. In developing a Christian ethic, we will consider what help the Bible provides for each of these approaches. Then we Il explore whether we might need to combine these three in some way to give us a more balanced and integrated approach. Finally, we Il consider how to live with the reality that our world is fallen, or imperfect, and that there is almost never a perfect solution. These Bible studies are part of The Bible and Your Work Study Series. Each book contains Scripture references, thought-provoking questions, and prayers to help you explore what the Bible says about work and apply it to your life in positive, practical ways. The lessons in each chapter are designed for thirty-minute lunch breaks, although they can...
