iUniverse, Inc. Paperback. Condition: New. 108 pages. Dimensions: 8.6in. x 5.8in. x 0.5in. Pat Neal has a problem. Its not gambling, drinking, or sex. His addiction comes in the form of the salmon and steelhead that swim in the rainforest rivers of the Olympic Peninsula. As a child, he was diagnosed with a severe case of fishing attention deficit disorder (FADD), a disease that plagues him to this day. Of his fellow fishing enthusiasts, Neal notes: People with fishing problems may spend inordinate amounts of time talking about their disease, even if they do show up for work. Most anglers are in complete denial over how much they spend on fishing until other members of the family start whining about food or shoes. Based upon the ever-popular Lords Prayer, The Fishermans Prayer has been reformulated for todays modern fishing conditions and is not limited to the water. The Fishermans Prayer works on all species of fresh and saltwater game fish. Dont go fishing without a prayer! This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
