Asphodel Press, ., United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.There has been an explosion in explicitly Pagan and Pagan-friendly literature. Science fiction and fantasy, and their attendant sub genres, children s books and teen books, mystery and historical fiction and romance (especially of the paranormal variety), are rich with Deities and mythologies and practitioners of the Old/New Ways. This anthology - the second following A Witch Among Wolves, and Other Pagan Tales - continues the tradition of Pagan authors writing Pagan tales for a Pagan audience. Black Leopard is a contemporary magical realism tale centering on Dionysus, while Crossroads finds a young girl voicing a heartfelt prayer to Hekate. Hysthaany follows a small community of Sekhmet devotees into outer space on a mission of mercy, while Mr. West finds Osiris paying a visit to a modern-day mortician. Seeds is set in a dystopian future of environmental degradation, while the title story, The Serpent in the Throat, is an adventure-horror tale set in ancient Canaan.
