Dario D'Angelo. Paperback. Book Condition: New. Paperback. 122 pages. Dimensions: 8.4in. x 5.4in. x 0.3in. Dario D'Angelo is one of the most promising authors destined to remain completely unknown. Despite an education and a background unrelated to writing anything - let alone books - he was able to unleash the unlikely. In the pages of this book you will find a lucid analysis of some experiences of life that can be used to understand and to some degree accept the way this whole affair will end. More importantly it will offer a point of view that could answer some of the profound questions of life, without resorting to illegal substances. If you are scared of death and you are looking for these answers, then maybe these are the pages to read. If you are just scared to death, then call 911. There is no time to read anything. Lower your expectations and you will find a mildly entertaining book, quoting the brilliant minds of all times, 5th grade science concepts, and questionable Italian humor. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Paperback.
